

Nicole and Sophie Contract

Sophie Janssen, Nicole Larson

September 14, 2016

1 Contract

- We all promise to listen to each other's ideas with respect.
- We promise to communicate frequently and check in with each other.
- We promise to be honest about our abilities and concerns.
- We promise to follow through with the work we agreed to do.
- We promise to try and create a project that we equally contribute to.

2 Contribution Documentation

We will record each of our contributions via a Google Doc/texting with honesty and integrity. We understand our contribution to the project will be part of our project grade and we will divide our work so that each member can make equivalent contributions.

3 Consequences

If a team member breaks one or more of our rules we will first try to talk about it and bring it to the attention of the offending member. If that does not work, we will see the project manager as a mediator in the conflict.
