

# How can the Santa Ana sucker be saved?

Marc Los Huertos

July 13, 2016

## 1 Introduction

### 1.1 Driving Question

How can we save the Santa Ana sucker?

## 2 Learning Goals

- Learn to evaluate sucker habitat using the following tools:
  - Phycology and Microscopy
  - Bioinformatics
  - Hydrology and Water Quality
  - Geomorphology
- Evaluate options to improve Santa Ana sucker habitat.
- Present a report to Stakeholders.
